SIR,

I have the honour to forward herewith Resolution No. 4 of the Insurance Committee for early orders of Government, with the connected office Memorandum dated 4th May 1915, for reference and obliging return.

2. Under Rule-23 of the Insurance Rules, failing a registered nominee, the bonus of a life Insurance policy is payable to the legal heirs of the deceased insured. The heirs of many an insured whose policy assures only small amounts, experience great difficulty and have to undergo some expense to obtain a succession certificate and on this account are deprived of the immediate help which the Insurance policy has been designed to render.

3. To remove this difficulty, legislative provision on the lines provided in sections 4 & 5 of the British Indian Savings Bank Act of 1873 is thought to be necessary and it is accordingly proposed, as embodied in the Resolution referred to in Paragraph-1 supra.

NOTIFICATION.

No. 460—L. C., dated Bangalore, 30th May 1917.

Under Rule 40 of the Rules for the conduct of business of the Mysore Legislative Council, the following Report of the Select Committee appointed to consider the Mysore State Life Insurance Bill together with the Bill as amended by them is published for general information :—

By Order,
G. SREENIVASA IYER,
Secretary, Mysore Legislative Council.

Report of the Select Committee on the Mysore State Life Insurance Bill.

We the members of the Select Committee appointed to consider the Mysore State Life Insurance Bill, have the honour to submit the following report to the Council :—

2. We have examined the Bill carefully and have made the following amendments therein :—

Clause 2. We have thought it necessary to define the term "rules" and have accordingly inserted the following sub-clause as (1) renumbering the present (1) as (3) :—

> "(1) 'Rules' means rules relating to the Mysore State Life Insurance for the time being in force."

As a consequential amendment the words "framed by Government from time to time in this behalf" occurring in sub-clause (2), have been omitted. We have substituted the word "includes" for the word "means" in sub-clause (2) of clause 2 so as to make the term "Bonus" include reversionary bonus, future profits, etc., added on to the original amounts secured by the insurance.

Clause 3. As no legislative authority is necessary to pay the bonus to the nominee of the insured, clause (*a*) is considered superfluous. We also consider that the finding of the President should be considered sufficient for making the payment, and that the Secretary should not be placed on a par with the President. There may also arise certain practical difficulties if the present clause were allowed to stand as it is. Hence, we have substituted the following new clause for clause 3 :—

> "3. Where an insured dies, without making any nomination in accordance with the rules, the Officer whose duty it is to make payment of bonus, may, notwithstanding anything to the contrary in the rules, pay it, provided that the sum payable does not exceed rupees 1,000, to such person as the President of the Insurance Committee after reasonable enquiry finds to be entitled to receive it."

Clause 4. In order to make the wording of this provision correspond with that of a similar provision in the Provident Funds Regulation, 1916, which was adopted by the Council a short time back after full discussion, we have inserted the words "or in good faith intended to be done" after the word "done".

3. We also recommend to Government that a rule may be inserted in the Insurance Rules to the effect that the President of the Insurance Committee should refrain from taking action under clause 3 of the Bill in cases where he has notice of proceedings pending in any Civil Court in the matter of payment of the same bonus.

4. The other amendments are only of a verbal nature.

5. We recommend that the Bill as amended be passed.

6. As the Bill has been materially amended, we recommend that the Bill as amended by us may also be published in the Gazette.

J. S. CHAKRAVARTI.
P. RAGHAVENDRA RAO.
K. P. PUTTANNA CHETTY.
C. S. DORASWAMY IYER.

NOTE OF DISSENT.

1. We have now two sets of rules for Life Insurance under State Agency in Mysore. The first set is the rules of 1891 and the subsequent Government Order of the Financial Department which compulsorily enjoins all Government servants in the State to insure their lives, and a subsequent set of rules whereby the provision and privileges of these rules are extended to the general public called the "Public Insurance Rules." There is till now no legislative enactment embodying these provisions of the two sets of rules into a comprehensive enactment like the Indian Life Insurance Act of 1912, as repealed and amended by Acts of 1914. It is not now proposed to introduce it so far as it is applicable to Mysore.

2. By the present Bill it is proposed to frame a legislative enactment as could be gathered from the Statement of objects and reasons appended to the Bill "that to obviate the delay, trouble and expense involved in obtaining a certificate of succession to the heirs who do not in many cases derive immediately the full benefit of the schemes, it is proposed to exempt persons entitled to a sum less than Rs. 1,000 from the production of a certificate of succession and that it is necessary in such cases that the *Committee should be absolved from liability if any error is committed and payment is made to a wrong party. The Bill is framed to achieve these objects.*"

3. Whether we can resort to a legislative enactment only to strengthen the hands of the executive and render an order of a Court of Justice nugatory, by payment made to a wrong party ostensibly without even taking a security for the amount from the person to whom it is paid and without a comprehensive enactment as suggested above, is a matter on which I cannot unhesitatingly agree with the other members of the Committee, wherein Mysore, the right of suit against the Government is not conceded to a subject of the State.

4. However, Rule 23 of the Rules of 1891, provides that the President and Secretary and in doubtful cases the Committee shall authorize the payment * * * * * * failing such nominee to his legal heirs declared as such by a competent Court of Law and on the surrender of the Policy.

5. It is now proposed to go behind these salient rules without even providing for security which will involve the risk of a successful claimant in a Court of Law, of being left without the chance of recovering the money he is entitled to, and we are not aware of the personnel of the President and Committee referred to.

6. I propose that a provision like Section 4 of the Government Savings Bank Act may be introduced into the Bill that "Where an insured dies having insured his life for a sum less than Rs. 1,000 and if a probate, letters of administration under Regulation 1914, or a certificate granted by a competent Court of Law authorising a person to receive the Policy amount within three months of the death of the Insured, is produced by a claimant, the President may pay the said sum.

Provided that the President may pay the same at any time to any *bona fide* claimant appearing on reasonable enquiry to be entitled to receive it, on his furnishing satisfactory security to repay the same with interest at 6 per cent per annum, if it is afterwards found that the person receiving the same is not actually entitled to receive the amount."

In the above view, I beg to disagree with the other members of the Select Committee.

M. BASAVA IYA.

Note.—Mr. B. Narasinga Rao, who was also a member of the Select Committee was absent from the meeting.
